I understand that there is a significant risk of serious physical injury, death and other damages inherent in trampoline use, gymnastics, climbing, and physical fitness training activities and in my use of TopJump facilities and instruction relating to these activities including but not limited to trampoline dodge ball, trampoline basketball, air stunt bag, open jump trampolines court, gladiator pit, ninja course, kids zone, climbing center, camp activities, and birthday parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of these activities. These risks and hazards can include, but are not limited to, injuries arising from falling and striking objects or other people, including but not limited to paralysis resulting from striking objects; being struck by falling objects or people; failure of any part or all of the trampoline structures, climbing structures, flooring systems, building or training and fitness apparatus; defective, worn, uneven or separated trampoline equipment, climbing equipment, flooring, or pads; failing to land on a trampoline bed or pad or landing on an unpadded structure, including falling between the springs of the trampoline bed or falling from a climbing wall; failure and/or breakage of trampolines or climbing or other

equipment; strained or sprained muscles, joints and connective tissue; broken bones; personal injury including paralysis, death, illness, property damage, and other losses. Injury or death can arise from errors in judgment, from lack of training or information, from the negligence of me, employees or agents of TopJump or other parties, as well as the risks normally associated with athletic endeavors. Flipping and running and bouncing off the walls is dangerous and must be done at the participants own risk. There is also a risk of colliding with or being landed on by jumpers of a different size whether by negligence or deliberate acts. This includes attempted jumps, runs, stunts, tumbles, somersaults, maneuvers and/or acrobatics; having multiple participants engaging in the activities at one time; the physical condition, fitness and abilities of me and all other participants; weight differences between me and others; actions and/or omissions committed by me, or the child for which I am the legal guardian. There is no way to eliminate the risk of serious harm or death. I understand that my use of TopJump facilities and any instruction or lack of instruction or knowledge I obtain at those facilities IS NOT sufficient to prepare me for all dangers and risks associated with trampoline use.

I CERTIFY THAT I UNDERSTAND TRAMPOLINE USE, GYMANSTICS, CLIMBING, AND PHYSICAL FITNESS TRAINING ACTIVITIES, EXPOSE ME TO A HIGH RISK OF INJURY OR ACCIDENT.
